

KPMG Phase 3

Client: Old Mutual (Pty) Ltd **Location:** Parktown, Johannesburg

Date: November 2015 **Value:** R157 Million

This phase of the KPMG projects culminates phases 1 and 2. The building has high end finishes, and architectural décor including aluminium and glass facades.

At KPMG a 5 level basement parking with ramps of 21 584m² is currently being constructed, as well as 3 office blocks spanning 7 635 m². The building will have 2 atria which are each 12m high as well as a gallery. This building has a modern twist but still maintains conformity with phases 1 and 2.
